Observations	
---------------------	--

(*) In compliance with the contents of Royal Decree 110/2015, of 20 February, on waste electrical and electronic equipment, the COMPANY will not be authorized to charge any amount to the CLIENTS for the collection and management of RESIDUES constituted by household appliances, provided that they are replaced by equivalent products acquired in IKEA.

The Company undertakes to properly manage the waste collection service in accordance with the regulations applicable in each case. It also undertakes to instruct its personnel to maintain at all times the correction and professionalism in the provision of the service and very specifically in the proper management of the waste, committing, among others, not to make the deposit of the same, in a place not prepared for its management, such as, municipal containers, uncontrolled dumps or in general any place not expressly established in the current legislation.

The Customer declares that the appliance he has delivered contains all of its ordinary internal components (excluding peripherals). It also declares that it has not proceeded to remove any of said components, or to add some that were not originally present in it. Likewise, the Client is hereby informed that the forecast contained in the previous paragraph is an indispensable condition to be able to carry out an adequate management of the old appliance. The Client expressly declares this fact, as well as assumes full responsibility for breaches of the previous forecast, by signing this form in the "as delivered RAEE client" section. In the event that the customer refuses to deliver a WEEE equivalent to the one purchased, he must sign in the section "I waive delivery" as required by RD 110/2015.

The signature of this document is mandatory by the customer to be able to deliver the new product purchased. The COMPANY will provide the client with a copy of this document, duly completed.

I renounce customer RAEE:	As delivered to RAEE client:	According to company services:	According to IKEA:
